### **Dear Lakewood Ranch Residents and Visitors,**

As concern about the coronavirus, known as COVID-19, grows across the nation, we want to assure you that the well-being of our community is our priority. We want to share with you steps we are taking to help keep our residents and visitors healthy and safe.

#### **Special Events**

As a proactive measure and to help prevent the possible spread of the coronavirus, we are postponing certain Lakewood Ranch sponsored events scheduled during the next 30 days. We will assess the situation on an ongoing basis, and make decisions about other community gatherings.

#### **The upcoming events that are cancelled or on hiatus are:**

- Bus Tours of Lakewood Ranch, which are typically held Tuesday and Friday mornings, are cancelled indefinitely.
- Community Nature Walk previously scheduled for Saturday, March 14 is cancelled.
- Off the Ranch Ride to Orioles vs. Red Sox Spring Training Game on the LWR Bus previously scheduled for Friday, March 20 is cancelled.
- Community Bike Ride previously scheduled for Saturday, March 21 is cancelled.
- LWR Talks: Magic on the Bay, History of Spanish Point lecture and bus tour previously scheduled for Tuesday, March 24 is cancelled.
- The Shoreview Model Tour and Sunset Happy Hour Event previously scheduled for Thursday, March 26 is cancelled.
- Music on Main, previously scheduled for Friday, April 3 and Friday, May 1 are cancelled.
- LWR Talks: The Future of Medicine previously scheduled for Tuesday, April 7 is cancelled.

We apologize for any inconvenience. If you have questions about whether a scheduled event in Lakewood Ranch will proceed as planned or is cancelled, please check our website at [LakewoodRanch.com](http://LakewoodRanch.com), our [social media](#) channels, and our resident website, [MyLWR.com](http://MyLWR.com).

#### **Our Information Center and Model Homes Remain Open**

If you have any questions about our community, please reach out to our team of Community Specialists at 941-907-6000 or via chat on our website. If you were planning to visit and tour the model homes, please stop at our Information Center on Main Street. There are still ways to explore the community and visit our 80+ model homes. We would be happy to help you plan a customized self-guided tour, or to explain the route our bus tours would normally take you on.

We are taking extra precautions to maintain a healthy and clean environment at our Information Center. We have increased the frequency of our cleanings, and we use disinfectant throughout the day to clean surfaces that are utilized by our staff and our guests. We have asked our Community Specialists and guests to refrain from shaking hands. Our team practices frequent handwashing, and those who feel ill or display signs of illness are not permitted to report to work.

#### **What's Next**

This is a challenging time, where news and information is emerging and evolving quickly. We will continue to follow the guidance from the [CDC](#), as well as [local and state authorities](#) regarding the operations of our offices, public locations and gatherings. We are monitoring this situation closely, and we will adapt our operations and preventative measures as needed. There may be trying days ahead, but we know the strength of the Lakewood Ranch community is in the spirit of its residents, and we will do everything we can to protect and support each other through this uncertain time.

Please visit [Coronavirus.gov](http://Coronavirus.gov) for additional information and guidance.

Thank you,

**LAKEWOOD RANCH™**
