DR. PETER  
MCCALLISTER

Creativity is not just for the artist or the young, it is a necessary tool of life, allowing for adjustment to inevitable change.

**“THE PRESIDENT’S  
DAILY BRIEF”**

FEB  
19

JOHN  
RIXSE

Regular intelligence briefings for the President have been the practice since President Truman. Hear from a senior official in both the Intelligence Community and the Department of Defense about the history of the President’s Daily Brief and what it was like overseeing its preparation and delivery.

**“ARTIFICIAL  
INTELLIGENCE:  
GOOD OR EVIL”**

MAR  
19

DR. ALEX  
BEAVERS

From a pioneer in AI, the layers of sensationalized hype surrounding Artificial Intelligence (AI) will be peeled back to explore why we should embrace it rather than fear it.

**“EMBRACING LIFE  
TRANSITIONS”**

APRIL  
16

KATHY  
FLORA

A new job, moving, having children, children moving out of the home, parents getting older, retirement, caregiving of parents. We will experience all of these major life transitions if we make certain choices or are lucky enough to live long enough. Learn how to make experiencing a life transition a joyful experience leading to personal growth.
